

# HOW CAN OUR HOME SCHOOL LEARNING PROGRAM HELP YOU?

## ***THE PROBLEM***

## ***THE FIX***

### **CONFUSION**

You're so overwhelmed by all the information you have researched—from curriculum to schedules to learning outcomes to planning to books and digital resources. You don't know where to begin.

### **A MENTOR**

You need a homeschool mentor who can provide expert advice to support you navigate homeschool learning, step-by-step, how to customize the right curriculum mix for your child.

### **UNPREDICTABILITY**

You're really good at researching educational material of your child's interests... but you struggle to stick to a schedule. You'd love to have a finished unit of study!

### **A SUSTAINABLE PLAN**

You need a consistent daily home-school schedule that is systematic and can serve as the foundation of your day.

### **DISCOMFORT**

You don't have the education background. You know reading but you struggle in math. The thought of teaching all the subjects makes you incredibly frightened.

### **CUSTOMIZED LEARNING**

We can help support you in any content area at your request or we can provide you with all parts to a successful Online Homeschool Program. We offer Independent Learning Customized, Instructor Led Live Online Classes, and Independent Learning Self-Paced Homeschool Programs and Options.
